Crossfire

Blackfoot

You can have her, I don't want her
I don't want you around
You have taken all the feelings
And run them in the ground
All your lyin', you been tryin'
To leave me in the cold
First you want him, then you want me
The story's gettin' old
I'm caught up in a crossfire
Oh, don't you know that you're a live wire
You got me feeling baby like I'm on fire
What's a lonely man to do?
Put another slug in the chamber
You play roulette with love
Take your chances with danger dances
You'll pay for it with blood
All your lyin', you been tryin'
To leave me in the cold
First you want him, then you want me
The story's gettin' old
I'm caught up in a crossfire
Oh, don't you know that you're a live wire
You got me feeling baby like I'm on fire
What's a lonely man to do?
Oh, don't you know that you're a live wire
You got me feeling baby like I'm on fire

What's a lonely man to do?
You've got me in your sights
There's nothin' I can do
Maybe in the dead of night
I can slip away from you
All your lyin', you been tryin'
To leave me in the cold
First you want him, then you want me
The story's gettin' old
I'm caught up in a crossfire
Oh, don't you know that you're a live wire
You got me feeling baby like I'm on fire

What's a lonely man to do?
I'm caught up in a crossfire
Oh, honey you're a live wire
You got me feeling baby like I'm on fire
What's a lonely man to do?
I'm caught up in a crossfire
Oh, don't you know that you're a live wire
You got me feeling baby like I'm on fire
What's a lonely man to do?
Crossfire
Honey you're a live wire
I'm on fire
What am I to do?
I'm caught up in a crossfire
