Here (Alternate Mix) (Slanted Session)

Pavement

I was dressed for success
But success it never comes
And I'm the only one who laughs
At your jokes when they are so badAnd your jokes are always bad
But they're not as bad as this.
Come join us in a prayer
We'll be waiting, waiting whereEverything's ending here.
And all the sterile striking it
Defends and empty deck you cast away
As rain up on your foreheadWhere the mist's for hire if it's
Just too clear.
Let's spend our last
1/4 stance randomlyGo down to the outlet once again.
Painted portrait of minion's slaves
Crotch mavens and one night plays
Are they the only ones who laugh?At the jokes when they are so bad
And the jokes are always bad
But they're not as bad as this.
And all the Spanish candlesUnsold have gone away to this
And a "run-on piece of mount on"
Trembles, shivers runs down the freeway
I guess she spent her last quarterRandomly
I guess it's the best I'll
