

# Baby Be Brave

## The Corrs

Maybe deep down inside, you don't believe it  
Your wailing wall, it isn't weeping at all  
And you're not worthy of adoration  
You're scared that somebody some where's  
Gonna find the burst pipe  
And as fast as they bow down they'll leave you behind  
But baby be brave 'cause what's the point of it all  
What's the point of it all? Yeah  
Baby don't blow it, tell me what's it all for  
If you're not terrified to fail?  
Are you terrified to fail?  
Way far down below you don't feel it  
Yeah, everyone knows but we don't believe it  
The pain of a pop star, you're breaking my heart  
But baby be brave 'cause what's the point of it all  
What's the point of it all? Yeah

Baby don't blow it, tell me what's it all for  
If you're not terrified to fail?  
Confide in me, tell your story  
It's your fear that makes you worthy  
I know what you're doing 'cause  
God I've been tempted, you are  
Drowning the special to immortalize the rise  
And what's the point of it all  
Baby be brave 'cause what's the point of it all  
What's the point of it all? Yeah  
Baby don't blow it, tell me what's it all for  
If you're not terrified to fail?  
Confide in me, tell your story  
It's your fear that makes you worthy  
Confide in me, tell your story  
It's your fear that makes you worthy
