

# Red Light

## Fastball

I went walking through the red light  
On the dark night in the winter  
Pretty girls in the window  
Pretty girls, staring back at me  
I went walking 'cross the St. Charles  
To the Argyle downtown  
Met my friends in the back there  
Know we always have a really good time  
And I feel so alive and I feel so free  
Always listening to our favorite songs  
They play them all night long  
They play them all night long  
I woke up with a girly  
Way too early, oh my head  
I went walkin' to the newsstand  
All the suits staring back at me  
Whatchu lookin' at?  
I went walking down Main Street  
Down to South Beach, oh I crawled  
I went looking for the bee sting  
And I feel so alive and I feel so free  
Always listening to our favorite songs  
They play them all night long  
They play them all night long  
[Incomprehensible]At the end of the world  
At the end of the world  
At the end of the world  
At the end of the world  
Will I see you again?  
Will I see you again?  
At the end of the world  
Take me home all the way, yeah  
Right, that's absolutely right
