

# You've Never Been Alone (Wordlife Club Remix)

[Andrea Balency](#)

Whenever I feel indecision  
I try to keep it inside  
But I keep wondering about the unsaid  
Eyes closed you're inside in my head  
The fire is lit  
I have to get away  
Get away no to confess  
You would never get it  
I have to hide away  
Hide away in my own mess Oh! You've never been alone  
You've never been alone no  
It's time to let you go  
Oh! You've never been alone  
You've never been on your own no  
It's time to let you go  
A to the B, to the A B B  
Don't you play these games with me  
A to the B, to the A B B  
Don't you dare play games with me Everyday every time I try to forget  
But you'll never see me regret  
It's all slow and all misled  
But who knows if there's some thing there  
Every time I try to quit  
I try to get away  
Get away no to confess  
You would never get it  
I have to hide away  
Hide away in my own mess  
(Because)  
Oh! You've never been alone  
You've never been alone no  
It's time to let you go  
Oh! You've never been alone  
You've never been on your own no  
It's time to let you go (Because)  
Oh! You've never been alone  
You've never been on your own no  
It's time to let you go It's time to let you go (3)
