

# Feelin' Funky (Got the Heat On)

## Gang of Thieves

I got the heat on come on  
I wanna take a walk in your city  
Find a believer come one  
I gotta find out if your ready  
Out for the season come on  
I know you got a little left to give me  
Sound as a reason come one  
I wanna know what love can get meBaby if you're feelin lucky  
Come on and take a chance  
Show me if you're feelin funky  
Let me see you dance  
Round up the people come on  
I got a better way I can lead em  
Wound up your feet and come on  
Take another day for your freedom  
Proud as a leader come on  
I made another friend that I'm keepin  
Found where my seat is come on  
I got another soul to believe inBaby if you're feelin lucky  
Come on and take a chance  
Show me if you're feelin funky  
Let me see you dance  
I got the heat on come on  
I wanna take a walk in your city  
Find a believer come one  
I gotta find out if your ready  
Out for the season come on  
I know you got a little left to give me  
Sound as a reason come one  
I wanna know what love can get meBaby if you're feelin lucky  
Come on and take a chance  
Show me if you're feelin funky  
Let me see you dance
