

# Athens To Athens

[Joe Bonamassa](#)

I'm gonna leave my girl you should see  
She is so fine  
It's Better Athens to Athens  
Kinda day and night I'm gonna go into town  
Going to try to flag a ride  
It's Better Athens to Athens  
Kinda day and night I'm gonna watch the sun come up  
Fires gonna rise  
It's Better Athens to Athens  
Kinda day and night It's Better Athens to Athens  
Kinda day and night
