

Someday

Dr. Dog

There's a tree
Outside my home
The sidewalks cracked
Out where it's roots have grown
Someday came
And then left me alone
I should've known back then
That I stayed too long
I should've known better
I should've known better
But I don't believe I can
If my feet
Could carve stone
They'd mark a monument
That's never wrong
I was a man
I turned to bone
I never moved and now my
My will is gone
I should've known better
I should've known better
I should've known better
But I don't believe, well, I don't believe
No, I don't believe I can
