Suzie (Fierce Panda Version)

Boy Kill Boy

This is not a movie
And things just ain't the same as your favorite video
Try standing back and move me
And next to you's a very nice place to goTalk talk to Suzie!
I went through a million choices
Talk, set it up for Suzie!
I listened to a million voicesAnd they said, "Don't let me down"
They said, "Don't let me down again"
No, noCountdown, countdown
Countdown to the disappointment
I'm yours tonightCountdown, countdown
Countdown to the disappointment
I'm yours tonight
Oh, no no noRead not what the stars say
There's an evil lurking round every door
It's not enough to make you leave me
I never wanted you to goTalk talk to Suzie!
I went through a million choices
Talk, set it up for Suzie!
I listened to a million voicesAnd they said, "Don't let me down"
They said, "Don't let me down"
They said, "Don't let me down again"
No, noCountdown, countdown
Countdown to the disappointment
I'm yours tonightCountdown, countdown
Countdown to the disappointment
I'm yours tonightOh, time has nearly gone
So take another breath
And taste this one more time again
One more time againCountdown, countdown
Countdown to the disappointment
I'm yours tonightCountdown, countdown
Countdown to the disappointment
I'm yours tonight
Oh no no no oh
