

Great Day (By Alexis Castro DJ)

Tokio Hotel

Yeah my heart is open
And my eyes are swollen
It is way too hard to see
And my head is in clouds
But your voice is too loud
Only cigarettes to breathe
The sun will follow our way

Can you feel it?
Our shadows disappear
Gone forever
We don't belong to anyone
All we are has come undoneIt's a great day

To say goodbye
It's ok
'Cause I'll be alrightI'm at someone else's place

It doesn't matter
Take the memories away
And I'll be better
Shoot a rocket to the sky
Think of us and let it flyIt's a great day

To say goodbye
It's ok
'Cause I'll be alrightCome and let go

Don't remember
All the days that
Were meant to last forever
Come and let go
Don't remember
All that counts now

Ahead of us foreverThe sun will follow our a way

Can you feel it?It's a great day
To say goodbye
It can never
Get better than tonight
It's a great day
To say goodbye
It's okay
'Cause I'll be alright

Alright
