Orchestral Manoeuvres in the Dark

[I NEED HELP!!!! - Dave]
styling I work real hard
stop trying to bother ?
so sweet ? I feel so hard
you sow silence in the face of our
?
it's kind hard but they don't stare
what is the place we're living in
I can't ?
when I said it to all the deaf
I say ?
say that I say
I say ?
?
say ?
