Think Too Much, Feel Too Little

Jaws

Started out again
Saw you dancing across the room
Turn a second & took a breath
Took a chance
And we get it we get it it's over
And I don't wanna go home
We get it we get it it's over
I go back to BEING ALONE
(alone alone alone)

Started out again
Saw you dancing across the room
Turn a second & took a breath
Took a chance
And we get it we get it it's over
And I don't wanna go home
We get it we get it it's over
I go back to BEING ALONE
(alone alone alone)

Everybody's got it wrong
Little things going on
Does it matter for what you say
You'll get it!
