

Think Too Much, Feel Too Little

Jaws

Started out again
Saw you dancing across the room
Turn a second & took a breath
 Took a chance
And we get it we get it it's over
 And I don't wanna go home
 We get it we get it it's over
I go back to BEING ALONE
 (alone alone alone)

Started out again
Saw you dancing across the room
Turn a second & took a breath
 Took a chance
And we get it we get it it's over
 And I don't wanna go home
 We get it we get it it's over
I go back to BEING ALONE
 (alone alone alone)

Everybody's got it wrong
 Little things going on
Does it matter for what you say
 You'll get it!
