

Never Alone

Hillsong Young & Free

In the dark You lift my eyes
For this journey You designed
You're likening me
Let my heart align with You
In Your Word and in Your Truth
Your voice calling me
Faith in the unseen

Oh You reign in my soul
Oh You reign in my soul
I will never be alone
I will never be alone
Oh You reign in my soul
Oh You reign in my soul
I will never be alone
I will never be alone

That my word may fall in faith
You alone are sovereign still
Come stand in my trust
On the Earth Your kingdom bring
All creation brings You praise
Jesus You are Life
Your name lifted high

My soul revived in your broken hands
Gracious blood hold my sin and shame
Now forever until the end
Oh, You reign
Oh, You reign
