Lights off  
Ain't nobody watchin' me  
I heard about the man in the sky  
But he prolly fell asleep  
And you say Audemars  
Audemars, Audemars  
But still don't know the time  
That the Son comes down from the stars  
Lights off  
Ain't nobody watchin' me  
I heard about the man in the sky  
But he prolly fell asleep  
And you say Audemars  
Audemars, Audemars  
But still don't know the time  
That the Son comes down from the stars  
They say that  
Time waits for no man  
Nah, they probly lyin'  
'Cause time waits on me like a servant all of the time  
But, uh  
I know some people who actually servin' time  
Committed to this grind  
Or just committed some crimes  
Some times  
I wish I had some more time to think  
And all the time in the world is all the time I need  
And I know eternity's callin'  
But my mind  
Too busy racin' to pay any mind  
Spent a whole lot of money on a watch  
Ironic cuz I got it  
But I hardly sit and watch  
The time tick by  
I spend time tryna buy it to own time  
I never thought that I was only  
Wastin' my own time  
Who holds time?  
They say he'll be coming in no time  
Pray I pay attention cause I'm giving him no time  
When lights off is anybody watchin' me

Heard the man above  
Never slumber never sleep Lights off  
Ain't nobody watchin' me  
I heard about the man in the sky  
But he prolly fell asleep  
And you say Audemars  
Audemars, Audemars  
But still don't know the time  
That the Son comes down from the stars On the corners in the alleys  
I see conans and cowards  
Scared to question their existence  
Like ain't no final hour  
Can we blame the sins of a reverend for all our irreverence  
Does my time spent on earth qualify me for heaven  
Did we tick him off by wastin' all of these ticks on this clock  
Or is he graciously givin' me time to give him my heart  
I'm sure it's the latter  
Sure that it matters  
And I believe  
I've been given all this time  
So I can try and redeem it  
Or make the most of this stop watch that I'm racin'  
You stop and watch you ain't racing  
You erasing yo minutes  
You can't replace 'em  
At the end of yo days  
When eternity's in yo face  
You had one life to offer up in his service or lay to waste  
So my Rollie's tellin' me to roll out  
Make investments with my time  
While I'm tryna hold out, hold out  
And fame money success  
Be competing for my investments  
But I can't take 'em with me  
When it's time for me to exit  
Turn the Lights off  
Ain't nobody watchin' me  
I heard about the man in the sky  
But he prolly fell asleep  
And you say Audemars  
Audemars, Audemars  
But still don't know the time  
That the Son comes down from the stars Lights off  
Ain't nobody watchin' me  
I heard about the man in the sky

But he prolly fell asleep  
And you say Audemars  
Audemars, Audemars  
But still don't know what time  
That the Son comes down from the stars
