## JacobÂ's Ladder

## Rush

There is unrest in the forest There is trouble with the trees For the maples want more sunlight And the oaks ignore their pleasThe trouble with the maples And they're quite convinced they're right They say the oaks are just too lofty And they grab up all the lightBut the oaks can't help their feelings If they like the way they're made And they wonder why the maples Can't be happy in their shadeThere is trouble in the forest And the creatures all have fled As the maples scream, "Oppression!" And the oaks just shake their headsSo the maples formed a union And demanded equal rights "These oaks are just too greedy We will make them give us light"Now there's no more oak oppression For they passed a noble law And the trees are all kept equal By hatchet, axe and saw
