

# Avocado Galaxy (Lissvik Remix)

## World Champion

I feel something  
Lurking in the shadows  
It's got your face  
Tells me I'm in trouble  
AgainIt's all down hill from here  
It's all down hill from hereMy gorilla  
Take you for a killer  
Yeah my gorilla  
Take you for a killer,  
All your life  
I feel nothing  
chemical soul imbalance  
Skeletons playing  
Moving in different patternsIt's all down hill from here  
Yeah it's all down hill from hereOh no now,  
Oooooos  
My gorilla, take you for a killer  
Yeah baby my gorilla  
Take you for a killer  
All your life.
