

Get It Right

Keyshia Cole

Ohh, lala, huhh, lala, ohh Yeah, you dont ever wear that good cologne,

No, tell me why the hell you put that on, that on

Boh tell me who you tryna impress?

Uh, oh you aint even notice me in your favorite dress Why you keep blowing up my phone?

Tryna make sure that Im still home

Tell me what you doin' baby

The heart never lies

Its all in your stride

Before it gets too far

Tell me what you doin'

Cause you dont stroke it like you used to, do it like you used to

Do it

Aint got me moaning like you used to,

Own it like you used to

Own it See, I have been through this before (Been through this before)

And I aint going back no more (Going back no more)

Before Im headin' out the door (Headin' out the door)

Get it right or you cant love me Now Im back to the favorite dress (Uh oh)

Since when it dont make you want the sex, the sex (Uh oh)

Does she look like? Lets guess, no

And now youre givin' her all the stress you gave to me

Baby why you keep blowing up my phone?

Tryna make sure that Im still home

Tell me what you doin' baby

The heart never lies

Its all in your stride

Before it gets too far

Tell me what you doin'

Cause you dont stroke it like you used to, do it like you used to

Do it

Aint got me moaning like you used to, own it like you used to

Own it See, I have been through this before (Been through this before)

And I aint going back no more (Going back no more)

Before Im headin' out the door (Headin' out the door)

Get it right or you cant love me Get it right, get it right, get it right (Ohh)

Get it right, get it right, get it right (Ohh)

Get it right, get it right, get it right

(If you wanna love me again, get it right)

Get it right, get it right, get it right (Ohh) Cause you dont stroke it like you used to, do it like you used to

Do it (No you dont)

Aint got me moaning like you used to, own it like you used to

Own it

(Got me thinking bout quitting all night long)See, I have been through this before (Been through this before)

And I aint going back no more (Going back no more)

Before Im headin' out the door (Headin' out the door)

Get it right or you cant love meCause you dont stroke it like you used to, do it like you used to

Do it (Do you hear me baby?)

Aint got me moaning like you used to, own it like you used to

Own it (No, you dont get it)See, I have been through this before (Been through this before)

And I aint going back no more (going back no more)

Before Im headin' out the door (Headin' out the door)

Get it right or you cant love me (No more)
