

# Get On Home

## Great White

Been thinkin' now what I should do  
I gotta decide  
Waitin' here on the likes o' you  
My Thursday child  
I'll face the music that I hear in my head  
As the night rolls by  
Song of a drifter lost to the road  
Tryin' to reach for the skyGotta get on the road  
Gotta long way to go  
Gotta get on home  
Gotta get on the road  
Gotta long way to go  
Gotta get on homeSo nothin' lasts n' I can't change  
Been this way too long  
Love burns so fast when you see the flame  
Ya gotta let it shine on  
God only knows it's hard to find  
Oh a place to belong  
And as you grow to find your way  
Ya have to move on  
So I go my way like a shadow at night  
Like a name on the wind  
I'll sail away to an ocean of love  
Oh let the tide roll inGotta get on the road  
Gotta long way to go  
Gotta get back home  
Gotta get on the road  
Gotta long way to go  
Gotta get back home
