

# Pipeline

Saitone

Get out the crane  
Construction time again  
What is it this time? We're laying on a pipeline  
Let the beads of sweat flow  
Until the ends have met, though  
It could take a long time  
Working on a pipeline  
Taking from the greedy, giving to the needy  
On this golden day  
Work's been sent our way  
That could last a lifetime  
Working on a pipeline  
From the heart of the land  
To the mouth of the man  
Must reach him sometime  
We're laying on a pipeline  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy
