Existence

SS501

Amu gide harsu obsoso
Nege jagun khumur angyojwo
Jongmar gijog gathun ir oh chonsaui gochin narge jisuro
Gu khumur hyanghe dagagaI'm your double s... double s
A-yo, it goes my name, double s 501
What you wanna know?
What you gonna do? uhI'm your double s... double s
Yeah, i gotta go finally, come into my world
Girl, you know i kick it with the 501Irho borin khum gwa jinshir gotong gu byogur nomo
Nega wonhan gugod
Gochim obnun wechim ne sonhan bichi momunun gog
Sonhan bichur chajagaNarur barabwa nega wonhedon
Hyesong gathun your light.. (your light)
Gonna be all right, please don't be afraid
Sesang gadug your light..
Nega jonje harsu inun iyuI'm your double s... double s
A-yo, it goes my name, double s 501
What you wanna know?
What you gonna do? uhJongmar gijog gathun ir oh chonsaui gochin narge jisuro
Gu khumur hyanghe dagaga
Irho borin khum gwa jinshir gotong gu byogur nomo
You're my only pre-- girl, you're my only preciousNarur barabwa nega wonhedon
Hyesong gathun your light.. (your light)
Gonna be all right, please don't be afraid
Sesang gadug your light..
Nega jonje harsu inun iyuPray this song for you, i pray, just pray...
Pray this song for you, i pray, just pray...Narur barabwa nega wonhedon
Hyesong gathun your light.. (your light)
Gonna be all right, please don't be afraid
Sesang gadug your light..
It's your light..Narur barabwa (don't afraid) nega wonhedon
Hyesong gathun your light.. (your light)
(don't give in????tions, baby)
Gonna be all right, please don't be afraid
Sesang gadug your light..
Nega jonje harsu inun iyu[Translation]I couldn't rely on anyone
Please embrace my small dream
It's really like destiny
Oh like angel's wings that pass through

The dream I face approaches meI'm your double S double S
A yo It goes by name
double S 5 0 1
What you wanna know
What you gonna do uh
I'm your double S double S
Yeah I gotta go finally
come into my world
girl you know I kick it
with the 5 0 1A dream lost and the pain of truth
I overcome this wall to a place I want to be
An unconstrained cry
Remaining in the lamentations of your vivid light
I look for the vivid light
Look at me, the way I wanted
Like a comet your light
your light
gonna be alright
please don't be afraid
In the whole world your light
The reason I can existI'm your double S double S
A yo It goes by name
double S 5 0 1
What you wanna know
What you gonna do uhIt's really like destiny
Oh like angel's wings that pass through
A dream lost and the pain of truth
I overcome this wall
you're my only pre--girl
you're my only precious
Look at me, the way I wanted
Like a comet your light
your light
gonna be alright
please don't be afraid
In the whole world your light
The reason I can exist
pray this song for you
I pray just pray
pray this song for you
I pray just prayLook at me, the way I wanted
Like a comet your light
your light
gonna be alright
please don't be afraid

In the whole world your light
It's your light
Look at me, the way I wanted
Like a comet your light
your light
gonna be alright
please don't be afraid
In the whole world your light
The reason I can exist
