

Prayin' for a Party

Sparks

Saturday night and time that I go to bed
Daddy goodnight and momma goodnight, it's ten
Don't forget, son to pray, anything, dad you say
I'm gonna pray 'til both my knees are red Prayin' for a party
C'mon Lord, c'mon Lord
Prayin' for a party All of my friends are prayin' like prayin' fools
Send us a little jive and we'll be all right
What do we have to do? What do we have to do
What do we have to do, Lord, to get on through Prayin' for a party
C'mon Lord, c'mon Lord
Prayin' for a party C'mon Lord
C'mon Lord
C'mon Lord I just can't wait no more, I'm runnin' out that door
God helps those who help themselves to a good time Prayin' for a party
C'mon Lord, c'mon Lord
Prayin' for a party
