Don't You Remember

Adele

When will I see you again?
You left with no goodbye, not a single word was said
No final kiss to seal anything
I had no idea of the state we were in
I know I have a fickle heart and a bitterness
And a wandering eye and a heaviness in my head
But don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more
When was the last time you thought of me?
Or have you completely erased me from your memory?
I often think about where I would roam
More I do, the less I know
But I know I have a fickle heart and a bitterness
And a wandering eye and a heaviness in my head
But don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more
I gave you the space so you could breathe
I kept my distance so you would be free
And hope that you find the missing piece
To bring you back to me
Why don't you remember? Don't you remember?
The reason you loved me before
Baby, please remember me once more
When will I see you again?
