

Win the War Blues

Sonny Boy Williamson

Uncle Sam is gonna give me a Thunderbolt, he want me to fly away up above the clouds
Uncle Sam is gonna give me a Thunderbolt, he want me to fly away up above the clouds
He wants to drop the bombs on the Japanese, I really got to make my baby proud I wants a machine gun, and I
wants to be hid out in the wood
I wants a machine gun, and I wants to be hid out in the wood
I wants to show old man Hitler, that Sonny Boy don't mean him no good I wants to drop a bomb and set the
Japanese city on fire
I wants to drop a bomb and set the Japanese city on fire
Now because they are so rotten, I just love to see them die I've got the victory blues, because I know I've got to
go
I've got the victory blues, because I know I have got to go
Now to keep the dirty Japanese from slippin' into my baby's back door
