Love 4 Fun

Enrique Iglesias

So you think you got it all worked out And what you're searching for isn't what you found? Up in this world that's on the run A lot of hits but only a few number onesI'm making love for fun Are you looking for a holiday? Hey I'm making love for fun Why would you do it any other way? HeyI'm making good on everything I said So baby just relax and let me do my thing I'll believe you, yeah Up in my world you better run There's only room for the few who can comeI'm making love for fun Are you looking for a holiday? Hey I'm making love for fun Why would you do it any other way? HeyWhen you don't have a place to go When everything feels the same, no no, no no I can change what you think you know Making love my wayI'm making love for fun Are you looking for a holiday? Hey I'm making love for fun Why would you do it any other way? HeyI'm making love for fun Are you looking for a holiday? Hey I'm making love for fun Why would you do it any other way? Hey
