

# Year Zero

## Thirty Seconds to Mars

Be a hero, kill your ego  
But it doesn't matter, it's all just a pack of lies  
Build a new base, steal a new fate  
It doesn't matter, it's all just to save you We'll never fade away  
We'll never fade away  
I will stand my own ground  
I will tear down myself  
I won't fade Year Zero, I'm not the hero  
Is anybody alive here across the line?  
Buy a new face, start a new race  
It doesn't matter, it's all just to save your face  
It's all just to save your face  
It's all just to save you We'll never fade  
We'll never fade  
I will stand my own ground  
I will tear down myself  
I will stand my own ground  
I will tear down myself  
I won't fade  
I won't fade
