

Bastards On Parade (Live on Lansdowne, Boston MA)

Dropkick Murphys

I've lost all the time that I have in this world
I've spent it unwisely, unwisely you see
And I can't get it back and I can't move forward
I'm broken and I'm empty, it's over for me
If I could undo all the wrongs that I've caused
Fall to my knees, pray for swiftness and just
for I'm Just a fool, a fool driven to dust
An the world ain't gonna change for me
So give me one more chance to prove these problems and frustrations
Aren't just manifest in memories we're destined to repeat
A second chance to prove I know right from wrong
I swear I'll do things different but can't promise to be strong
If you could look into this old face and try to see the young man
I swear I once was pretty, not the monster you now see
But I squandered all my chances, lost my faith and took for granted
This life and precious one chance, the whirlwind I'll wreak
