

Retro Romance

Blake Lewis

She's the kind of girl you want,
To take home to your momma.
A smile so bright the world can see,
Flashing pearly whites since 83' Lipstick cherry, velvet red
Thoughts of her lips fill my head.
She's confident & let's it show,
But how can I let her know? There must be something I can say,
To make her feel this retro romance You stole my heart at first glance.
You're the one & only who completes my story
Oh retro romance
You're the one that make my heart dance.
Hope in your world you can see, today you'll take a chance on
An 80's guy like me! Pigtales, spandex, Jazzercise.
She works her Susan Summer thighs
Still knows what beauty inside means
While strutting round in Jordash Jeans Ashes to ashes, from love to lust
I've got to have her, I must, I must!
Just hoping that she'll let me be,
The cowboy in her Bon Jovi dreams No one has made me feel this way
Until I met my... Retro romance
You stole my heart at first glance.
You're the one & only who completes my story
Oh retro romance
You're the one that make my heart dance.
Hope in your world you can see today you'll take a chance on
An 80's guy like me! You're my light bright shining with s** on the screen
My Heather Locklear, Ferrah Fawcett, Demi Moore, beauty queen
I'll beat box, pop n lock while shoutin your name
Getting Fresh like Doug E. Did with Slick Rick, back in the day
Commodore 64, ibm, Atari, joystickin away
We'll Dirty Dance the Truffle Shuffle while bumping away/purple rain?
I'll be your lost boy going down on your breakfast club
But this might sound crazy cause I'm addicted to your love Retro romance
You stole my heart at first glance.
You're the one & only who completes my story
Oh retro romance
You're the one that make my heart dance.
Hope in your world you can see today you'll take a chance on
An 80's guy like me!
