

I Only Want You for Christmas

Alan Jackson

The snow is fallin', it's Christmas Eve
Presents are wrapped under the tree
Is there one for me? I only want you for Christmas, baby
I don't need nothing else
I only want you for Christmas, baby
Tie a ribbon 'round yourself
Oh, tie a ribbon 'round yourself I ain't gonna write no letter
To send north to the pole
'Cause what I'm wanting this year
Saint Nick don't need to know I only want you for Christmas, baby
I don't need nothing else
I only want you for Christmas, baby
Tie a ribbon 'round yourself
Oh, tie a ribbon 'round yourself Aw, pick it Rudolph
What about it Frosty? So put on your Christmas stockings
I'll find that mistletoe
Let's get into the holiday spirits
Honey ho ho ho, ho ho ho I only want you for Christmas, baby
I don't need nothing else
I only want you for Christmas, baby
Tie a ribbon 'round yourself I only want you for Christmas, baby
I don't need nothing else
I only want you for Christmas, baby
Tie a ribbon 'round yourself
Oh, tie a ribbon 'round yourself Oh, I had a bicycle
I had a train too
Oh, I only want you
