# Show Me

## [Modern Day Zero](#)

It could be so simple, if I just walked the line
I've never been ashamed of what I've done before
Could it be my time?
If you don't care, I don't care
I'm gonna get it somewhere
You're never really there (you're never really there) you're never really thereTry and show me what I mean to you
I'm dying to know this
Try and show me what I mean to you
I'm dying to know this; what do I have to doWould it even make a difference?
If I was even here at all
I'm tired of your attitude; it's gone too far
Same old shit a different day
I tried to do it your way
I don't know what to say (I don't know what to say) I don't know what to sayTry and show me what I mean to you
I'm dying to know this
Try and show me what I mean to you
I'm dying to know this; what do I have to do[Instruments Playing]Try and show me what I mean to you
I'm dying to know this
Try and show me what I mean to you
I'm dying to know this; what do I have to doTry and show me
What do I have to do
Try and show me
If you don't care
If you don't care
If you don't care
If you don't care
If you don't care
If you don't care
If you don't care
