(Oh yea, rock that,
oh yea, pop that back,

Ahh, Whoo (7x)
(Verse 1)

Baby
Before you get it, get it
You gotta .....Uh, ah, ow
Baby before you touch it, touch it
You gotta know.....uh, ah, ow
Baby,
I wanna let you love me
Hoping that you're lucky
Uh, uh, baby
Betta work it like you're suppose to
if i take it out this holster
Blauw
Oh yea, rock that
Oh yea, pop that back
Make that thang go blauw!
Uh huh, shoot that
I'mma shoot back (Uh huh)
Make that thang go blauw!
Pull on the handle
Look right in the camera
Hit the cannon
Make that thang go blauw!
I wanna see the gun
Can you put me on the run?
(Voice in reverse) (4x)
(Verse 2)
Baby
Before you take it, take it
you gotta taste it, taste it

Uh, ah, ow
Baby, before you freak it, freak it
you gotta.....uh, ah, ow
Baby, I wanna let you hold me

Hoping that you hold me right
Baby,
Betta work it like you're suppose to
if i take it out this holster
Blauw
Oh yea, rock that
Oh yea, pop that back
Make that thang go blauw!
Uh huh, shoot that
I'mma shoot back (Uh huh)
Make that thang go blauw!
Whirl on the handle
Look right in the camera
Hit the cannon
Make that thang go blauw!
I wanna see the gun
Can you put me on the run?
(Voice in reverse) (4x)
Let's talk about sex
Let's talk about um!
(Bridge)
Baby I just wanna be with you
and i don't know why people
make me feel like i gotta hide it
Actin' like you're supposed to
just see you like you're so scared to be
But who told you
you could decide it
Blauw
Oh yea, rock that
Oh yea, pop that back
Make that thang go blauw!
Uh huh, shoot that
I'mma shoot back (Uh huh)
Make that thang go blauw!
(Voice in reverse) (4x)
Let's talk about me and you...
Let's talk about sex...
That was fun...
