

# I Fall to Pieces (feat. Merle Haggard)

[Jamey Johnson](#)

I fall to pieces each time I see you again  
I fall to pieces how can I be just your friend  
You want me to act like we've never kissed  
You want me to forget pretend we've never met And I've tried oh I've tried but I haven't yet  
You walk by and I fall to pieces I fall to pieces each time someone speaks your name  
I fall to pieces time only adds to the flame  
You tell me to find someone to love  
Someone who'll love me too the way you used to do  
But each time I go out with someone new You walk by and I fall to pieces you walk by and I fall to pieces
