

Girlfriend (Laurent Wolf Remix)

Robbie Rivera

I'll never runaway
I'll never tell you lies
I'll never cheat on you
I'll never make you cry Do you want to be my boyfriend?
Girlfriend
Do you want to be my boyfriend? I want to be your girlfriend
I want to be your girlfriend
Do you want to be my boyfriend? I'll never runaway...
I'll never runaway
I'll never tell you lies
I'll never cheat on you
I'll never make you cry I want to be your girlfriend
Do you want to be mine? Because I want to be your girlfriend
Do you want to be my boyfriend?
