Sunshine

Cordrazine

Steal a little ray of sunshine
Hoping that itâ€™s goin to be fine today
All the birds up in their trees
Are singing their tears away

I want to rise up
And blow all the dark clouds away
I want to rise up
And blow all the storm clouds away, yeahhh

Steal a little ray of sunshine
Hoping that itâ€™s goin to be fine today
All the people in my street
Try working their fears away

I want to rise up
And blow all the dark clouds away
I want to rise up
And blow all the storm clouds away, yeahhh

Ohhhh, only the lovers
Will find the way
Ohhhh, only the lovers
Will find the way

Steal a little ray of sunshine
Hope that it will be fine today
