

# Anytime

## Don Diablo

House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house time

Houseâ€!

House time is any time  
And anytime is house  
Come on

House time is any time  
And anytime is house time  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house

House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time

And anytime is house

House time is any time  
And anytime is house

House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house  
House time is any time  
And anytime is house time
