

500,000 Warnings

Buffalo Tom

Five hundred thousand warnings I'll smash you
Six hundred thousand million times that we've been through
Inside an old farm house that I've never been to
I'll find a thousand reasons, It's you I'll do it to
Ladies of the evening, suit men of the day
Blue light sparkle gets me every time
They drag me, drag me, drag me, trying to make me
Living inside the right time
It's you I'll do it to
It's you I'll do it to
Create myself a nightmare
Refuse to see it through
This is the story of my life
They drag me, drag me, drag me, trying to correct me
They know I'll never get it right
It's you I'll do it to
It's you I'll do it to
It's you I'll do it to
It's you I'll do it to
