One Big Family

Templecloud

Get ready for the judge in me
He's coming over
Get on your feet
All my goodness is all I got for you
Have I shown you lately
What my clan can do?
I own your heart now
By rights yeahWe got family
We got family
So when I call you up get y'all in
We got family
We got family
So when I call you up get y'all inGet ready for the judge in me
He's coming over
Get on your feet
All my goodness is all I got for you
Have I shown you lately
What my clan can do?
I own your heart now
By rights yeahWe got family
We got family
So when I call you up get y'all in
We got family
We got family
So when I call you up get y'all in
