

Fire and Rain

Birdy

Just yesterday morning, they let me know that you were gone.
Suzanne, the plans they made put an end to you.
I walked out this morning and I wrote down this song,
I just can't remember who to send it to.

I've seen fire and I've seen rain.
I've seen sunny days that I thought would never end.
I've seen lonely times when I could not find a friend,
But I always thought that I'd see you again.

Won't you look down upon me, Jesus,
You've got to help me make a stand.
You've just got to see me through another day.
My body's aching and my time is at hand
And I won't make it any other way.

Oh, I've seen fire and I've seen rain.
I've seen sunny days that I thought would never end.
I've seen lonely times when I could not find a friend,
But I always thought that I'd see you again.

Been walking my mind to an easy time, my back turned towards the sun.
Lord knows when the cold wind blows it'll turn your head around.
Well, there's hours of time on the telephone line to talk about things to come.
Sweet dreams and flying machines in pieces on the ground.

Oh, I've seen fire and I've seen rain.
I've seen sunny days that I thought would never end.
I've seen lonely times when I could not find a friend,
But I always thought that I'd see you baby, one more time again, now.

Thought I'd see you one more time again.
There's just a few things coming my way this time around, now.
Thought I'd see you, thought I'd see you, fire and rain, now.
