

# Walking In The Air

[Kenny Loggins](#)

Sweeping low over an ocean deep  
Rousing up a mighty monster from his sleep  
We're walking in the air  
We're dancing in the midnight sky We're walking in the air  
We're floating in the moonlit sky  
The people far below are sleeping as we fly I'm holding very tight  
I'm riding in the midnight blue  
I'm finding I can fly so high above with you Free as we can be  
Above the sleeping world  
As far as I can see  
(All is a dream) Far across the world  
The villages go by like dreams  
The rivers and the hills  
The forest and the streams Children gaze open mouthed  
Taken by surprise  
Nobody down below believes their eyes We're surfing in the air  
We're swimming in the frozen sky  
We're drifting over icy mountains floating by Free as we can be  
Above the sleeping world  
As far as I can see  
(All is a dream) We're walking in the air  
(Walking in the air)  
We're dancing in the midnight sky  
(Dancing in the sky)  
And everyone who sees us  
Greets us as we fly We're walking in the air  
(Walkin' in the air)  
We're walking in the air  
(Walkin' in the air)  
We're walking in the air  
We're walking in the air
