Tinsel Town In the Rain

Bic Runga

Why did we ever come so far?
I knew I'd seen it all before
Tall buildings reach up in vain
Tinseltown is in the rain
I know now love was so excitingTinseltown in the rain, all men and women
Here we are, caught up in this big rhythmOne day this love will all blow over
Time for leaving the parade
Is there a place in this city
A place to always feel this way
And hey, there's a red car in the fountain
Tinseltown in the rain, all men and women
Here we are, caught up in this big rhythmDo I love you? Yes, I love you
Will we always be happy go lucky
Do I love you? Yes, I love you
But it's easy come and it's easy go
All this talking is only bravado
Tinseltown in the rain, all men and women
Here we are, caught up in this big rhythmTinseltown in the rain, all men and women
Here we are, caught up in this big rhythm
