ROSIER itoshi sugiteI've pricked my heartBy the time I knew. I was born
Reason or quest, not being told
What do I do, What should I take
Words "God Only Knows" won't work for me
Nothing starts Nothing ends in this city
Exists only sever lonesome and cruel reality
But still I search for light
I am the trigger, I choose my final way
Whether I bloom or fall, is up to me
I am the triggerI've pricked my heart
I am the trigger
I've pricked my heartkagayaku hoshi sae mienai tokai de
