

One More Tomorrow

[Eric Benet](#)

Last night I dreamed my life was over and done
The angels threw me high above
They called it Heaven, but I know it was a lie
For when I looked, you weren't inside[Chorus 1]
If I had only one more tomorrow
I'd spend that day with you
I'd feel no more pain or sorrow there with you[Verse 2]
Last night my dream revealed the day could soon come
Without your kiss, your touch, your love
The first tears of Heaven cried would be mine
Till you were there right by my side[Chorus 1][Chorus 2]
If I had only one more tomorrow
Imagine if you could
I'd spend my final hours, yes I would[Bridge]
Sometimes life makes us feel so secure
Like our days will last forever
Time will come when I'll be no more
Just think of me and remember[Chorus 1][Chorus 2]
