

# Go The Distance

Michael Bolton

I have often dreamed of a far off place  
Where a hero's welcome would be waiting for me  
Where the crowds would cheer, when they see my face  
And a voice keeps saying this is where I'm meant to be I'll be there someday, I can go the distance  
I will find my way if I can be strong  
I know every mile would be worth my while  
When I go the distance, I'll be right where I belong Down an unknown road to embrace my fate  
Though that road may wander, it will lead me to you  
And a thousand years would be worth the wait  
It might take a lifetime but somehow I'll see it through And I won't look back, I can go the distance  
And I'll stay on track, no I won't accept defeat  
It's an uphill slope  
But I won't lose hope, 'till I go the distance  
And my journey is complete, oh yeah But to look beyond the glory is the hardest part  
For a hero's strength is measured by his heart, oh Like a shooting star, I will go the distance  
I will search the world, I will face its harms  
I don't care how far, I can go the distance  
'Till I find my hero's welcome waiting in your arms I will search the world, I will face its harms  
'Till I find my hero's welcome waiting in your arms
