

# drop top

## Mercy Mercedes

Lets take a ride to Miami  
no calling new york city  
where its hot, hot and heavy  
the highways ready for the drop top Mercedes  
and we'll relive the 80s right on, right on they say its cold where you're from  
and i guess that's cold for some  
but not me, not me just wait a minute i gotta see  
all the times we tried  
but never could see  
and it really had a hold on me (you got me) you got me crazy in love  
but i swear its not enough  
im in way over my head  
but its you im dreaming of  
you got me walking on wire  
and it seems im gonna fall for you now  
oh girl there's no doubt about it lets make a night to remember  
well drive and slip surrenders  
where arise and good nights  
are all we ever hold on to  
so thank you for, for goodness sake  
cause we may make the same old mistakes  
that we made (you got me) you got me crazy in love  
but i swear its not enough  
im in way over my head  
but its you im dreaming of  
you got me walking on wire  
and it seems im gonna fall for you now  
oh girl lets just sing about it na, na, na, na, na  
na, na, na, na, na, na well lets just sing about it na, na, na, na, na  
na, na, na, na, na, na we'll make no excuses girl  
cause tonight, cause tonight  
I've got you and we can get used to this  
cause tonight, cause tonight im with you  
i know you're thinkin the same thing to  
cause we got what we always knew you got me crazy in love  
but i swear its not enough  
im in way over my head  
but its you im dreaming of  
you got me walking on wire

and it seems im gonna fall for you now  
oh girl there's no doubt about itcrazy in love  
but i swear its not enough  
im in way over my head  
but its you im dreaming of  
you got me walking on wire  
and it seems im gonna fall for you now  
oh girl lets just sing about itoh girl there's no doubt about it
