Falling All Over Again

Peter Criss

Years go by and I think about tomorrows
Tears of joy, keep me warm in the night
All my dreams sometimes turn into such sorrows
But baby, you are the best thing in my lifeDays go by and I thank God for my winnings
Time to plan all the things we wanted to
Now we're here, no more beg or steal or borrow
Baby, you are the best thing in my lifeWe have it all, you and me
All of our dreams are free
We have it all, yeah we do
Now we can start falling all over again
Can't you see you're the only thing that has meaning
With our love, there is nothing we can't do
Here we are, life is all that really matters
Honey, you are the best thing in my lifeWe have it all, you and me
All of our dreams are free
We have it all, yeah we do
Now we can start falling all over againYou come to me in the morning
with a smile' on your face
And when the evening's falling
you are there to hold me tightWe have it all, you and me
All of our dreams are free
We have it all, yeah we do
Now we can start falling all over again
We have it all, you and me
All of our dreams are free
We have it all, yeah we do
Now we can start falling in love once again
Ooh, again, again
