

Train In Vain

Dwight Yoakam

They say you stand by your man
Oh tell me something 'cause I don't understand
You said you love me and that's a fact
And then you left me, I said you felt trapped
Well there are some things you can't explain away
And the heartache's with me to this day
Did you stand by me?
No not at all
Did you stand by me?
No way
All the times that we were close
I remember these things the most
Well I've seen my dreams come tumbling down
I can't be happy without you around
So alone I keep the wolves at bay
And there's only one thing I can say
Did you stand by me?
No not at all
Did you stand by me?
No way
Did you stand by me?
No not at all
Did you stand by me?
No way
So, explain why this must be
Did you lie when you spoke to me?
Hey, did you stand by me?
No not at all
Did you stand by me?
No way
I got a job but it don't pay
I need new clothes, somewhere to stay
Hey without these things I can do
But without your love I can't make it through
And if you don't understand my point of view
Then there's not a damn thing I can do
Did you stand by me?
No not at all
Did you stand by me?

No way
Did you stand by me?
No not at all
Did you stand by me?
No way
