## Westlife

You See Friends (I See Lovers)

Bryan: You said, this would never end

But I want you for more than just my friend

Mark: And you said, this is how to say

Never really looked at you that way Bryan: Be scared to tell you how I feel

It's not a passing thing, I know it's real

Mark: And if you have a reason, not to move it on

So what about it baby?

Bryan: If you say no, I'll still be there You keep running (running while)

I'm still falling (falling for you)

You don't notice

There's something new my heart's discovered

You keep running (keep running)

I'll keep calling (calling until)

Until you notice

You see friends, but I see lovers (You see friendship, I see love)

(You see friendship, I see love) Mark: Don't be scared, to let me in your heart

I've been there before, but I played a different part

Bryan: And if you have a reason, not to move it on

So what about it baby?

Mark: If you say no, I'll still be there You keep running (running while)

I'm still falling (falling for you)

You don't notice

There's something new my heart's discovered

You keep running (keep running)

I'll keep calling (calling until)

Until you notice

You see friends, but I see lovers (You see friendship, I see love)

(You see friendship, I see love) Bryan: And if you have a reason, not to move it on

So what about it baby?

Bryan & Mark: If you say no, I'll still be there You keep running (running while)

I'm still falling (falling for you)

You don't notice

There's something new my heart's discovered

You keep running (keep running)

I'll keep calling (calling until)

Until you notice

You see friends, but I see lovers Yeah... Yeah...

Na-na-na-na...

Na-na-na-na...  
You are friendship, I want love  
Na-na-na-na...  
Na-na-na-na..Mark:  
You want friendship, I want love

You want friendship, I want love  
What else am I dreaming of...
