Electric

Deer Tick

I need you to make me proud
I need electric to play it loud
But I don't need your sympathy
I'm just a player in your kings and queens
I don't want to lose my sight
I don't want to fight my fight
On a big screen TV
I don't wanna burn your money
I need you to get me by
I need electric to get me high
But I don't need your friendly smiles
I'm just the bricks and you're the miles

I don't want to live like you
And I don't want to know your truth
But I'll always do my thing
But you have me on your string
I need you to make me shout
I need electric to drown you out
But I don't need all of your words
I am sound, you can't be heard
I don't want to waste your breath
I don't want you to forget
I'm the problem, you're the test
I can't hear you, none of these
