

# Every Time Two Fools Collide

[Kenny Rogers](#)

You want things your way  
And I want them mine  
And now we don't know  
Just where you draw the line  
How can love survive  
If we keep cheers and sighs?  
And who picks up the pieces  
Every time two fools collide? You lay the blame on me  
And I put the balme on you  
But why do we keep finding faults  
In everything we do?  
And how long can we keep righting wrongs  
So cut-and-dry  
And who picks up the pieces  
Every time two fools collide? We can save our love  
We still have the time  
Oh, I know there must be a way  
But we still haven't tried  
To keep our hearts from breaking  
Every time two fools collide To keep our hearts from breaking  
Every time two fools collide
