## Nice & Slow

## **Usher**

Ah what cha doing Really

You know I'm coming over right (now baby tell what you wanna do with me)
Now you got it hot for me already baby

Okay

I'll be there in about uh, give me ten minutes

Be ready

Ah

Wear that little thing I like

(now baby tell what you wanna do with me)

It's seven o' clock

On the dot

I'm in my drop top

Cruisin the streets - oh yeah

I gotta real pretty - pretty little thang that's waiting for me

I pull up

Anticipating good love

Don't keep me waiting

I got plans to put my hands in places

I never seen girl you know what I mean

Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush

I just want to take it nice and slow (now baby tell what you wanna do with me) See I've been waiting for this for so long We'll be makin' love until the sun cones up

Baby

I just wanna take it nice and slow (now baby tell what you wanna do with me)

now here we are
Drivin' round town
Contemplating where I'm gonna lay you down
Girl you got me sayin'
My, may, may, - May

I wish that I - I

Could pull over

And get this thing stated right now
I wanna do something freaky to you baby

So call out my name

They call me US-HER-RA-YM-OMD

Now baby tell me what you wanna do with me
Gotta nigga from feenin' like Jocdeci

Every time that you roll with me,holdin' me
Tryin to get control of me
Nice and Slowly
You know
Never lettin' go
Never messin' up the flow
This is how the hook go

Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush

I just want to take it nice and slow
(now baby tell what you wanna do with me)
See I've been waiting for this for so long
We'll be makin' love until the sun cones up
Baby

I just wanna take it nice and slow (now baby tell what you wanna do with me)

Now tell me
Do you wanna get freaky
Cause I'll freak you right I will
I'll freak you like one has ever made you feel
I'll freak you right I will
I'll freak you right I will
I'll freak you like one has ever made you feel - yeah
(now baby tell what you wanna do with me)
